

**Platform on Human Health**

**Platform on Human Health**

**Annual Meeting**

**1st of November, 2011**

**Auditorium 1, Gothersgade 140 University of Copenhagen**

**Purpose:**

- To present the overall visions and objectives and the organization of the Platform on Human Health under the Building stronger Universities Initiative
- To introduce the present partners in Tanzania mainland, Zanzibar and Ghana to the Danish resource base and discuss the assignments and plans agreed for phase 1 in each of these locations (running until 1<sup>st</sup> of August 2013)
- To initiate the development of ideas for the next phase of collaboration under the Platform on Human Health (from August 2013 and onwards)

**Form:**

A half-day seminar with plenary presentations followed by questions and comments and separate group discussions within the three country groups (Ghana, Tanzania mainland, Zanzibar).

This meeting is followed by a dinner at RizRaz, Store Kannikestræde 19, Copenhagen at 18:00

**Participants:**

Representatives from the South partner institutions:

Tanzania mainland: Kilimanjaro Clinical Research Centre/Institute (KCMC/KCMI), National Institute for Medical Research (NIMR)

Zanzibar: State University of Zanzibar (SUZA), Zanzibar College of Health Sciences (ZCHS)

Ghana: University of Ghana (UoG), Kwame Nkrumah University of Science and Technology (KNUST)

Representatives from the involved Danish Universities, research institutions, and the wider research for health resource base
